### About P3 Health Partners (NASDAQ: PIII):

P3 Health Partners Inc. is a leading population health management company committed to transforming healthcare by improving the lives of both patients and providers. Founded and led by physicians, P3 has an expansive network of more than 2,900 affiliated primary care providers across the country. Our local teams of health care professionals manage the care of thousands of patients in 27 counties across five states. P3 supports primary care providers with value-based care coordination and administrative services that improve patient outcomes and lower costs. Through partnerships with these local providers, the P3 care team creates an enhanced patient experience by navigating, coordinating, and integrating the patient's care within the healthcare system. For more information, visit [www.p3hp.org](http://www.p3hp.org) and follow us on LinkedIn and [Facebook.com/p3healthpartners](https://www.facebook.com/p3healthpartners).
