TILT Completes Final Actions Related to Debt Refinancing

Amends Existing Revolving Credit Facility to Increase Credit Availability, Improve Terms and Extend Maturity Date; Announces Appointment of New Board Member

PHOENIX, March 14, 2023 (GLOBE NEWSWIRE) -- TILT Holdings Inc. ("TILT" or the "Company") (NEO:TILT) (OTCQX: TLLTF), a global provider of cannabis business solutions that include inhalation technologies, cultivation, manufacturing, processing, brand development, and retail, announced the extension of its existing revolving credit facility, together with the appointment of a new board member pursuant to its recently completed debt refinancing.

Jupiter Research, LLC ("Jupiter"), a subsidiary of TILT, entered into an amendment to its existing US \$10 million asset-based revolving credit facility (the "Facility") to increase the amount available under the Facility from US \$10.0 million to US \$12.5 million, and extends the maturity date to July 21, 2024. Additionally, borrowings under the Facility will bear interest at the prime rate plus 3%, and the Facility is secured by Jupiter's inventory, accounts receivable and related property. The amendment also includes a guaranty by TILT in the amount of US \$6 million.

The Company also announced that, effective March 8, 2023, George Odden has been appointed to the Company's Board of Directors ("Board") as a noteholder designee in accordance with the recently completed debt refinancing of the Company's junior notes. Mr. Odden served in the U.S. Navy and began a career on Wall Street focused on investment banking and M&A in the aerospace industry. Today, he is a partner with Ardent Advisory Group, a company he co-founded in 2021, focused on providing a broad range of M&A advisory services.

Gary Santo, TILT's Chief Executive Officer, stated, "We are pleased to welcome George Odden to the Board and look forward to leveraging his financial acumen and M&A expertise, which is especially important as we explore strategic growth opportunities this year."

Santo continued, "The amended Facility provides TILT with greater liquidity and improved borrowing terms at a time when the broader capital markets remain volatile. Our lender has been a great partner to Jupiter and TILT, and we appreciate the confidence they've shown with this extension and amended terms."
