Intel Announces That Mobileye Has Submitted S-1 Draft Registration Statement

Mobileye has confidentially submitted with U.S. SEC for the proposed IPO of its common stock

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Intel today announced that Mobileye has confidentially submitted a draft registration statement on Form S-1 with the U.S. Securities and Exchange Commission (SEC) for its proposed initial public offering of newly issued Mobileye common stock. The number of shares to be offered and the price range for the proposed offering have not yet been determined. The initial public offering is expected to occur after the SEC completes its review process, subject to market and other conditions.

This press release does not constitute an offer to sell or the solicitation of an offer to buy any securities. Any offers, solicitations or offers to buy, or any sales of securities will be made in accordance with the registration requirements of the Securities Act of 1933, as amended (Securities Act). This announcement is being issued in accordance with Rule 135 under the Securities Act.

About Intel

Intel (Nasdaq: INTC) is an industry leader, creating world-changing technology that enables global progress and enriches lives. Inspired by Moore's Law, we continuously work to advance the design and manufacturing of semiconductors to help address our customers' greatest challenges. By embedding intelligence in the cloud, network, edge and every kind of computing device, we unleash the potential of data to transform business and society for the better.
