Kush Bottles Reports Q2 Financial Results: Revenues More than Double, Profits Continue to Grow

Leading packaging and accessories provider to the cannabis industry focuses on business fundamentals to build long-term, sustainable growth

LOS ANGELES, April 12, 2016 /PRNewswire/ -- Kush Bottles, Inc. (OTCQB: KSHB), a premier supplier of packaging solutions and accessories for the legal cannabis industry, reported its financial results for second quarter, fiscal year 2016.

Q2 FY16 revenues increased 173% over Q2 FY15. Revenues for 6-months ending Feb 29, 2016 grew 175% over same period prior year.

Kush Bottles also reported an increase in net profits over the previous quarter.

"We're thrilled to have ended the first half of our fiscal year with 175% year over year growth," said Nicholas Kovacevich, Co-Founder and CEO of Kush Bottles, Inc. "Our success can be largely attributed to our aggressive sales efforts in both current and new markets, as well as expansion into new product lines."

"We turned a corner in Q1 when we first became profitable, and we've shown through our Q2 results that we can sustain that momentum," said Chris Martin, CFO of Kush Bottles. "We are pleased with our performance and look forward to attacking new opportunities to increase company growth and shareholder value in the second half of the year."

Kovacevich said that the success of Kush Bottles is the result of planning, persistence, and passion. "We've built an incredible team here at Kush Bottles, and we ready to capitalize upon the significant growth prospects ahead."
