Data Storage Corporation and CEBS Announce Partnership

IBM Business Partners to Provide End-to-End Services to IBM Customers

GARDEN CITY, NY and HOUSTON, TX -- (MARKET WIRE) -- 03/07/12 -- Data Storage Corporation (DSC) (OTCBB: DTST), a cloud storage and cloud computing company focusing on data protection and business continuity solutions, and CEBS Inc., a growing global IT company, today announced that they have formed a strategic partnership. As IBM Business Partners, together the companies will offer IBM customers end-to-end services for software applications and hosting.

"As another well-respected IBM Business Partner, this relationship with CEBS makes good sense," said Peter Briggs, executive vice president at DSC. "They have a solid expertise in providing software and services to organizations throughout the U.S., Europe and India. Partnering with them will help us to increase our geographic footprint and provide our clients with additional service offerings."

Satish Swaroop, CTO at CEBS, added, "With our knowledge of software and hardware procurement and implementation and Data Storage Corp.'s expertise in hosting services, we are able to provide end-to-end solutions to our customers. By directing our clients to a trusted hosting services provider, like Data Storage Corp., we can be confident that their software investments are in good hands and will be protected."
