Allen F. Grum, President of Rand Capital, stated, "In the past 18 months, the sale of Kionix, Innov-X and GridApp provided Rand with \$10 million in gains increasing our cash position to more than 50% of our net asset value. This positions us to explore creating another SBIC fund in the upcoming year. The remainder of our portfolio continues to strengthen and we would expect a continuation of exits from our investments in the upcoming years."

The Board of Directors previously approved the continuation of a stock repurchase program, providing for the market acquisition of up to 340,947 shares of Rand stock through October 21, 2011.
