## GiveGab(R) supports more than 50 annual Giving Days

BUFFALO, NY -- (Marketwired) -- 12/21/16 -- [Rand Capital Corporation](#) (NASDAQ: RAND) ("Rand"), a venture capital company whose focus is to make investments in companies with emerging product, service or technology concepts, announced that [GiveGab, Inc.](#), a nonprofit giving platform and Rand portfolio company, recently closed on \$1.7 million in financing to support its growth. Over the past 18 months, GiveGab's customer base of nonprofits who have fundraised on its agile giving platform has grown from less than 100 to more than 2,500 currently, with a significant pipeline for 2017. Additionally, the company has also seen rapid growth in [Giving Days](#), quickly advancing from two annual giving days to more than 50, and growing.

Charlie Mulligan, Chief Executive Officer and Co-Founder of GiveGab, commented, "We developed our unique giving platform by listening to our customers, and created an easy-to-use solution for the challenges they face. It is simple yet effective, facilitating their fundraising efforts and helping them build long-term engaged relationships with their supporters. Throughout their fundraising initiatives, we aim to provide superior customer service, further differentiating GiveGab. Some of the many Giving Days who have utilized our platform include ILGive (Illinois), NYGivesDay (New York), OregoniansGive, CUNY Tuesday, The Big Give (San Antonio), Idaho Gives, Kentucky Gives, and Cornell Giving Day. To support our increasing customer base and programs, we expect to invest further in our staffing and systems as we seek to become the national giving platform of choice."

Allen F. ("Pete") Grum, President and Chief Executive Officer of Rand Capital, added, "GiveGab's growth is a testament to the effectiveness of their platform and customer service. GiveGab enables nonprofits to carry out their mission more efficiently, supporting the rapidly growing "giving back" movement. As an example, the recent [New York Gives Day 2016](#) initiative involved approximately 900 nonprofits working together to raise over \$11 million in donations and gifts, from more than 29,000 donors. Rand not only has great confidence in GiveGab's technology and business model, we also feel very good about helping to fund a business that is having a major positive impact on giving to nonprofit organizations and those in need."

Rand made an initial investment in GiveGab in 2013 and a follow-on in 2015. Rand currently has a 7.4% equity position in GiveGab, amounting to approximately 1.5% of Rand's portfolio.
