The conference is being held at the Seminole Hard Rock Hotel & Casino in Hollywood, Florida on February 16-18, 2020.

Event: Noble Capital Markets' 16th Annual Investor Conference

Presentation Date: Monday, February 17, 2020

Presentation Time: 4:00 PM ET – Terrace Ballroom A

Location: Seminole Hard Rock Hotel & Casino – Hollywood, FL

Mr. Leonard Mazur, Chairman of Citius, will deliver an update on the Company, including a discussion of the recent positive outcome of its interim futility analysis for the Phase 3 Mino-Lok® pivotal trial, and provide an overview of its other pipeline products, Mino-Wrap™ and Halo-Lido. Additionally, Mr. Mazur will also be available at the conference for one-on-one meetings with investors. To arrange a meeting with the Company, please contact Mr. Andrew Scott: ascott@citiuspharma.com.

Mr. Mazur's presentation will be available for playback at the link below approximately 24 hours following his live address and be archived for 90 days following the conference: <http://noble.mediasite.com/Mediasite/Play/838b6f0a3a53473cbd89e1507a111a411d>

This is the 16th year Noble Capital Markets has hosted "NobleCon" and invited emerging growth companies to present to and meet with attending investors. NobleCon will feature approximately 125 small growth companies presenting across four tracks occurring simultaneously, company executives meeting with investors in 1x1/face-to-face formats, and special panel sessions featuring key opinion leaders on topics such as cannabis, biotechnology, and mining, just to name a few. Noble Capital Markets will be broadening access to investors worldwide by hosting the conference site on Channelchek.com, its web-based market platform that emphasizes emerging growth companies.

About Citius Pharmaceuticals, Inc.

Citius is a specialty pharmaceutical company dedicated to the development and commercialization of critical care products, with a focus on anti-infectives, cancer care, and unique prescription products that use innovative, patented, or proprietary formulations of previously-approved active pharmaceutical ingredients. We seek to achieve leading market
