# Energy Recovery Announces Virtual-Only 2020 Annual Meeting of Stockholders

**SAN LEANDRO, CA / ACCESSWIRE / July 8, 2020 /**[Energy Recovery, Inc.](https://www.energyrecovery.com)

(NASDAQ:ERII) today announced that, in light of COVID-19 health and safety considerations and potential travel disruptions, the Company will hold its 2020 Annual Meeting of Stockholders virtually via live audio webcast, taking place on Thursday, July 16, 2020, at 10:00 a.m. PDT.

Stockholders can attend the virtual meeting via live audio webcast but may not physically attend this year's meeting. The virtual format also provides the opportunity for participation by a broader group of stockholders and enables stockholders to participate fully, and equally, from any location around the world, at little to no cost to them.

Stockholders can attend the Annual Meeting online at [www.virtualshareholdermeeting.com/ERII2020](https://www.virtualshareholdermeeting.com/ERII2020) by using the 16-digit control number, which appears on each stockholder's proxy materials. Stockholders as of the record date set forth in the proxy materials may vote at the Annual Meeting or any postponements or adjournments of the meeting.

Stockholders as of the record date who attend and participate in the virtual Annual Meeting using their 16-digit control number will have an opportunity to submit questions during the meeting. Written responses to questions will be posted on the Company's investor relations website ([ir.energyrecovery.com](https://ir.energyrecovery.com)) on the investor toolkit page four business days following the conclusion of the Annual Meeting.

The Annual Meeting will be available to the public to view live. Anyone wishing to do so may go to [www.virtualshareholdermeeting.com/ERII2020](https://www.virtualshareholdermeeting.com/ERII2020) and enter as a guest.

It is important that stockholder shares are represented at the Annual Meeting. Whether or not stockholders expect to participate in the meeting, Energy Recovery respectfully requests that stockholders vote in advance on the matters to be presented at meeting, as described in the proxy materials. Stockholders can vote via the Internet, by phone, or complete, date, sign and promptly return the proxy card or voting instruction card included with proxy materials.

## About Energy Recovery

For more than 20 years, Energy Recovery, Inc. (NASDAQ:ERII) has created technologies that solve complex challenges in industrial fluid-flow markets. We design and manufacture solutions that reduce waste, improve operational efficiencies, and lower the production costs of clean water and oil and gas. What began as a game-changing invention for water desalination has grown into a global business delivering solutions that enable more affordable access to these critical resources. Headquartered in the San Francisco Bay Area, Energy Recovery has manufacturing, research and development facilities across California

and Texas. Our worldwide sales and technical service organization provides on-site support for our line of water solutions. For more information, please visit [www.energyrecovery.com](http://www.energyrecovery.com).
