Perimeter Announces Proposed Public Offering of Units

PRELIMINARY PROSPECTUS ACCESSIBLE ON SEDAR+

**/NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR FOR DISSEMINATION
IN THE UNITED STATES/**

TORONTO and DALLAS, March 27, 2025 /CNW/ - Perimeter Medical Imaging AI, Inc. (TSXV: PINK) (OTCQX: PYNKF) ("**Perimeter**" or the "**Company**"), a commercial-stage medical technology company, announced today that it has filed a preliminary short form prospectus (the "**Preliminary Prospectus**") with the securities regulatory authorities in the Provinces of British Columbia, Alberta and Ontario in connection with an offering of units of the Company ("**Units**"), with each Unit consisting of one common share and one common share purchase warrant (the "**Offering**"). The Offering is expected to be completed on a reasonable "best efforts" agency basis pursuant to an agency agreement (the "**Agency Agreement**") to be entered into between the Company and A.G.P. Canada Investments ULC (the "**Agent**"). The number of Units to be distributed, the price of each Unit and the exercise price and the expiry date of each warrant will be determined by negotiation between the Company and the Agent in the context of the market with final terms to be determined at the time of pricing.

The Company intends to use the net proceeds from the Offering to continue the commercialization of its technology, establish clinical evidence and continue product development. The Company also intends to use the net proceeds for working capital and other general corporate purposes.

The Company will pay to the Agent a cash fee equal to 7.0% of the gross proceeds raised under the Offering, and grant the Agents compensation options equal to 5.0% of the number of Units issued under the Offering (the "**Compensation Options**"). Each Compensation Option shall entitle the Agent to buy one Common Share at the same price as the price per Unit under the Offering. The Compensation Options shall be exercisable until that date which is 36 months following the Closing Date (as defined below). The Agent will receive a reduced cash commission of 3.5% and Compensation Options equal to 2.5% in respect of Units sold to certain purchasers on a president's list to be agreed to between the Company and the Agent. In addition, the Agent will receive no cash commission or Compensation Options with respect to sales to certain insiders of the Company.

The Offering is expected to close prior to the end of April, 2025 (the "**Closing Date**") or such later date as may be agreed upon by the Company and the Agent. The Offering is subject to

the Company and the Agent entering into a definitive agency agreement, and subject to the satisfaction of customary closing conditions, including the receipt of all necessary regulatory and stock exchange approvals, including approval of the TSX Venture Exchange ("**TSXV**").

In addition, the Units are anticipated to be offered by way of private placement in certain jurisdictions outside of Canada pursuant to and in compliance with applicable securities laws.

For further details with respect to the Offering, please see the Preliminary Prospectus, a copy of which is available on the Company's SEDAR+ profile at www.sedarplus.ca.

This press release is not an offer to sell or the solicitation of an offer to buy the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to qualification or registration under the securities laws of such jurisdiction. The securities being offered have not been, nor will they be, registered under the *United States Securities Act of 1933* as amended (the "**U.S. Securities Act**"), and such securities may not be offered or sold to, or for the account or benefit of, persons in the United States or U.S. persons absent registration or an applicable exemption from U.S. registration requirements. "United States" and "U.S. persons" have the meanings ascribed to them in Regulation S under the U.S. Securities Act.

Access to the Preliminary Prospectus and any amendments to such document will be provided in accordance with securities legislation relating to procedures for providing access to a short form prospectus and any amendment thereto. The Preliminary Prospectus is accessible on SEDAR+ at www.sedarplus.ca. Alternatively, an electronic or paper copy of the Preliminary Prospectus and any amendment to such document may be obtained without charge, from the Agent by email at info@alliancecgcanada.ca, by telephone at (289) 635-5864 or by providing the contact with an email address or address, as applicable. The Preliminary Prospectus contains important, detailed information about the Company and the Offering. Prospective investors should read the Preliminary Prospectus before making an investment decision.

About Perimeter Medical Imaging AI, Inc.

Based in Toronto, Canada and Dallas, Texas, [Perimeter Medical Imaging AI](http://www.perimetermedicalimagingai.com) (TSX-V: PINK) (OTCQX: PYNKF) is a medical technology company driven to transform cancer surgery with ultra-high-resolution, real-time, advanced imaging tools to address areas of high unmet medical need. Available across the U.S., our FDA-cleared Perimeter S-Series OCT system provides real-time, cross-sectional visualization of excised tissues at the cellular level. The breakthrough-device-designated investigational Perimeter B-Series OCT with ImgAssist AI represents our next-generation artificial intelligence technology that is currently being evaluated in a pivotal clinical trial, with support from a grant of up to US\$7.4 million awarded by the Cancer Prevention and Research Institute of Texas. The company's ticker symbol "PINK" is a reference to the pink ribbons used during Breast Cancer Awareness Month.

Perimeter B-Series OCT is limited by U.S. law to investigational use and not available for sale in the United States. Perimeter S-Series OCT has 510(k) clearance under a general indication and has not been evaluated by the U.S. FDA specifically for use in breast tissue, breast cancer, other types of cancer, margin evaluation, and reducing re-excision rates. The safety and effectiveness of these uses has not been established. For more information,
