# **FIBRA Prologis Acquires 1.1 Million Square Foot Rail-Served Distribution Facility**

MEXICO CITY, Nov. 4, 2015 /PRNewswire/ -- FIBRA Prologis (BMV: FIBRAPL14), the leading owner and operator of Class-A industrial real estate in Mexico, today announced the acquisition of a fully occupied 1,093,000 square foot rail-served distribution facility in the Cuautitlan-Izcalli submarket of Mexico City for a total investment of US\$14.1 million, including closing costs.

The intermodal facility was developed by sponsor Prologis.

"This acquisition brings great strategic value to our existing portfolio in Mexico City," said Luis Gutierrez, CEO, Prologis Mexico. "Mexico City is a land-constrained market, with only a few intermodal terminals serving the city, and the volume of consumer goods transported by rail has been increasing significantly."

As of September 30, 2015, FIBRA Prologis owns approximately 10.4 million square feet of logistics and distribution space in its Mexico City market.

## **ABOUT FIBRA PROLOGIS**

FIBRA Prologis is the leading owner and operator of Class-A industrial real estate in Mexico. As of September 30, 2015, FIBRA Prologis comprised 185 logistics and manufacturing facilities in six industrial markets in Mexico totaling 31.6 million square feet (2.9 million square meters) of gross leasable area.

## **FORWARD-LOOKING STATEMENTS**

The statements in this release that are not historical facts are forward-looking statements. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which FIBRA Prologis operates, management's beliefs and assumptions made by management. Such statements involve uncertainties that could significantly impact FIBRA Prologis financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy growth, acquisition activity, development activity, disposition activity, general conditions in the geographic areas where we operate, our debt and financial position, are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially

from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust ("FIBRA") status and tax structuring, (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments (viii) environmental uncertainties, including risks of natural disasters, and (ix) those additional factors discussed in reports filed with the "Comisión Nacional Bancaria y de Valores" and the Mexican Stock Exchange by FIBRA Prologis under the heading "Risk Factors." FIBRA Prologis undertakes no duty to update any forward-looking statements appearing in this release.

Non-Solicitation - Any securities discussed herein or in the accompanying presentations, if any, have not been registered under the Securities Act of 1933 or the securities laws of any state and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements under the Securities Act and any applicable state securities laws. Any such announcement does not constitute an offer to sell or the solicitation of an offer to buy the securities discussed herein or in the presentations, if and as applicable.
