# Loar Holdings Inc. Announced The Completion of its Acquisition of LMB Fans & Motors

**WHITE PLAINS, NEW YORK / [ACCESS Newswire](#) / December 26, 2025** /Loar Holdings Inc. (NYSE:LOAR) ("Loar," "we," "our," or "the Company") today announced the completion of its acquisition of LMB Fans & Motors ("LMB") for €367 million, plus the assumption of debt, paid in cash at closing.

Founded more than 60 years ago, LMB is a global leader in designing and manufacturing customized, high-performance fans and motors. Its fans and brushless motors are widely used across aerospace and defense platforms. LMB employs more than 75 team members worldwide, including those at its headquarters and manufacturing facility in Malemort-sur-Corrèze, France.

The transaction was completed following clearance under the French foreign direct investment screening procedure by the Ministry of Economy and Finance. Loar expects LMB to generate approximately \$60 million in revenue and \$30 million in Adjusted EBITDA for the year ending December 31, 2026.

"We are thrilled to officially welcome LMB to the Loar family," said Dirkson Charles, CEO and Executive Co-Chairman of Loar's Board of Directors. "LMB aligns perfectly with our strategy of combining niche and proprietary capabilities to serve both our original equipment and aftermarket customers. We believe LMB's culture of innovation, combined with Loar's broader resources, will drive shared growth."

## Use of Non-GAAP Information

Adjusted EBITDA is a non-GAAP financial measure provided on a forward-looking basis for LMB and is based on management's estimates, assumptions and projections. No

reconciliation to the most directly comparable financial measures calculated and presented in accordance with GAAP are presented because to do so would be potentially misleading and not practical given the difficulty of projecting event-driven transactional and other non-core operating items in any future period. The magnitude of these items, however, may be significant.

This non-GAAP financial measure is provided for illustrative purposes only, and is not meant to be considered in isolation from, or as a substitute for, the comparable GAAP measures. There are limitations to non-GAAP financial measures because they are not prepared in accordance with GAAP and may not be comparable to similarly titled measures of other companies. The Company cautions you not to place undue reliance on this non-GAAP financial measure.
