Washington Real Estate Investment Trust Acquires Woodholme Portfolio for \$49.0 Million

ROCKVILLE, Md.--(BUSINESS WIRE)--

Washington Real Estate Investment Trust (WRIT) (NYSE:WRE) has acquired Woodholme Medical Office Building and Woodholme Center totaling 198,000 net rentable square feet and 844 parking spaces for \$49.0 million. The acquisitions, located off the Baltimore Beltway (I-695) in the affluent Pikesville/Owings Mill submarket of Baltimore County, Maryland, expand WRIT's medical office portfolio with class A properties and establish a presence in the Baltimore market.

The properties are part of the Woodholme Center, a mixed-use development that also includes retail, restaurants, and a rehabilitation center. The portfolio is expected to achieve a first-year, unleveraged yield of 7.0% on a cash basis and 7.2% on a GAAP basis.

Woodholme Medical Office Building is a 97% leased, five-story MOB, containing 125,000 net rentable square feet and 567 parking spaces. Demand for medical space in the Woodholme area is driven by its proximity to Sinai Hospital--located 5 miles southeast, and Northwest Hospital--located 3 miles southwest.

Woodholme Center is a four-story class A office building, consisting of 73,000 net rentable square feet and 277 parking spaces. The building is 95% leased and primarily occupied by law and professional service firms. The property is ideally located near three major highways--the Beltway (I-695), the Northwest Expressway (I-795) and the Jones Falls Expressway (I-83)--and is accessible by public transportation.

WRIT will assume a \$21.2 million loan with an interest rate of 5.29% and the remaining balance will be funded through our line of credit.
