Washington Real Estate Investment Trust Completes Acquisition of John Marshall II for \$73.5 Million

ROCKVILLE, Md.--(BUSINESS WIRE)-- Washington Real Estate Investment Trust (WRIT) (NYSE: WRE) has completed the previously announced acquisition of John Marshall II, a nine story, 223,000 square foot office building situated at the Tysons Central 7 Metro Station in Tysons Corner, Virginia, for \$73.5 million.

John Marshall II is 100% leased to Booz Allen Hamilton Inc. through January 2016 and serves as its worldwide headquarters. The property, built in 1996 and renovated in 2010, is located at 8283 Greensboro Drive. The Tysons Central 7 Metro Station is one of four metro stations currently under construction that will serve Tysons Corner upon the Dulles

Corridor Metrorail's anticipated completion in 2013.

WRIT assumed a \$54.1 million mortgage bearing interest at 5.79% per annum and maturing in 2016. WRIT funded the remaining balance of \$19.4 million using proceeds from the recent sales of its industrial assets and its line of credit. WRIT expects to achieve a first year unleveraged yield of 6.7% on a cash basis.

"This is the second office acquisition we have made this week that sits adjacent to Metro, and we believe focusing our portfolio in these locations will generate excellent long-term rental rate growth. John Marshall II is a Class A property that will produce stable, high quality cash flow from Booz Allen Hamilton. Its location gives us increased allowable density for potential mixed-use development under the Comprehensive Plan for Tysons Corner," said George "Skip" McKenzie, President and Chief Executive Officer of WRIT.

WRIT is a self-administered, self-managed, equity real estate investment trust investing in

income-producing properties in the greater Washington metro region.
