The Paramount is a seventeen-story building with a two-level below grade parking garage, located at 1425 South Eads Street and is within walking distance to both the Crystal City and Pentagon City Metro Stations (Blue and Yellow Lines). The property was built in 1984 and is 94% occupied.

"The Paramount is a recently renovated apartment building, with easy access to the area's major employment centers. The property's close proximity to metro and the Pentagon align with our long-term strategy of focusing our investments in dense, infill locations with strong access to transportation and solid demographics," said Ed Murn, Managing Director and Head of the Residential Division at WRIT.

WRIT initially funded the acquisition with available capacity on its line of credit. With the recent announcement of the Medical Office Portfolio sale, WRIT will have the ability to repay the outstanding line balance with sale proceeds.
