##### ***About Flux Power Holdings, Inc. ([www.fluxpwr.com](http://www.fluxpwr.com))***

Flux Power develops and markets advanced lithium-ion energy storage systems ('batteries') based on its proprietary battery management system (BMS) and in-house engineering and product design. Flux storage solutions deliver improved performance, extended cycle life and greater return on investment than legacy solutions. Flux sells direct and through a growing base of distribution relationships. Products include advanced battery packs for motive power in the lift equipment, tug and tow and robotics markets; portable power for military and entertainment applications and stationary power for grid storage.
