VAALCO Energy Adopts Stockholder Rights Plan

HOUSTON, Sept. 28, 2015 /PRNewswire/ -- VAALCO Energy, Inc. (the "Company" and "VAALCO") (NYSE: EGY) today announced that its Board of Directors has authorized the adoption of a stockholder rights plan (the "Rights Plan"). The Rights Plan is designed to proactively assure that all of the Company's stockholders receive fair and equal treatment in the event of a proposed acquisition of the Company, to guard against tactics to gain control of the Company without paying all stockholders a premium for that control, and to enable all of the Company's stockholders to realize the value of their investment in the Company. The Rights Plan is not intended to interfere with any takeover, merger or other business combination approved by the Board of Directors.

The adoption of the stockholders rights plan aims to protect the interests of all VAALCO stockholders. The Board of Directors and management look forward to continuing to engage in constructive dialogue with stockholders regarding the Company's plans for its business and remain committed to strengthening performance and enhancing stockholder value.

Pursuant to the Rights Plan, the Company will issue one preferred share purchase right for each outstanding share of the Company's common stock to stockholders of record on the close of business on October 7, 2015. Initially, these rights will not be exercisable and will

trade with the shares of the Company's common stock. Unless earlier redeemed or exchanged, the rights will expire at the close of business on September 25, 2016.

Under the Rights Plan, the rights will generally become exercisable only if a person or group acquires beneficial ownership of 10 percent or more of the Company's outstanding common stock or announces a tender or exchange offer that would result in beneficial ownership of 10 percent or more of the Company's voting stock. In such situation, each holder of a right will be entitled to purchase one ten-thousandth (1/10,000) of a share of a series of junior preferred stock at an exercise price of \$7.20 per right at a 50% discount, subject to anti-dilution adjustments.

The Company will be entitled to redeem the rights at \$0.001 per right at any time prior to the acquisition of beneficial ownership of 10 percent or more of the Company's common stock by a person or group.

If a stockholder or group beneficially owns 10 percent or more of the Company's outstanding common stock at the time of the announcement of the Rights Plan, that stockholder's existing ownership percentage will be grandfathered, but the rights will become exercisable if at any time after the announcement of the Rights Plan such stockholder increases its ownership of the Company's common stock by one share or more.

The Company also today announced that its Board of Directors has amended and restated the Company's bylaws.

Details about the Rights Plan and the amendments to the Company's bylaws will be contained in a Form 8-K to be filed by the Company with the U.S. Securities and Exchange Commission.

Vinson & Elkins L.L.P. is serving as legal counsel to the Company.
