About Stryve Foods, Inc.

Stryve is an emerging healthy snacking company which manufactures, markets and sells highly differentiated healthy snacking products that Stryve believes can disrupt traditional snacking categories. Stryve’s mission is “to help Americans snack better and live happier, better lives.” Stryve offers convenient snacks that are lower in sugar and carbohydrates and higher in protein than other snacks. Stryve offers all-natural, delicious snacks which it believes are nutritious and offer consumers a convenient healthy snacking option for their on-the-go lives.

Stryve’s current product portfolio consists primarily of air-dried meat snack products marketed under the Stryve®, Kalahari®, Braaitime®, and Vacadillos® brand names. Unlike beef jerky, Stryve’s all-natural air-dried meat snack products are made of beef and spices, are never cooked, contain zero grams of sugar, and are free of monosodium glutamate (MSG), gluten, nitrates, nitrites, and preservatives. As a result, Stryve’s products are Keto and Paleo diet friendly. Further, based on protein density and sugar content, Stryve believes that its air-dried meat snack products are some of the healthiest shelf-stable snacks available today.

Stryve distributes its products in major retail channels, primarily in North America, including grocery, club stores and other retail outlets, as well as directly to consumers through its e-

commerce websites, as well as direct to consumer through the Amazon platform.
