TILL® American Wheat Vodka and George Remus® Bourbon Launch in Colorado with Breakthru Beverage

ATCHISON, Kan., April 17, 2018 /PRNewswire/ -- TILL American Wheat Vodka and George Remus Bourbon will partner with Breakthru Beverage as their exclusive Colorado distributor. TILL Vodka and George Remus are wholly-owned by MGP Ingredients (Nasdaq: MGPI), a leading distiller with operations in Atchison, Kansas and Lawrenceburg, Indiana. The agreement is effective immediately on a statewide basis and follows a significant round of new market openings (most recently in Arizona and Illinois) for MGP's growing brand portfolio.

"We've made significant distribution gains this year, and our partnership with Breakthru in Colorado represents a westward expansion that our team has eagerly awaited," says Andrew Mansinne, Vice President of Brands, MGP Ingredients. "TILL Vodka and George Remus Bourbon are a great fit for Colorado's thriving cocktail culture and the sophisticated, yet bold flavor profiles that rank high with consumers in the mountain states."

The distribution partnership follows MGP's market roll-out for TILL Vodka and George Remus Bourbon. TILL is produced from locally grown Kansas wheat, distilled for refinement through a proprietary process by the team in Atchison, Kansas. George Remus Straight Bourbon Whiskey and Remus Repeal Reserve Straight Bourbon Whiskey are crafted from MGP's aged bourbon reserves, located in its historic Lawrenceburg, Indiana, distillery, one of the oldest spirits facilities in the country.
