NEW YORK – April 20, 2026 – SiriusXM today announced the launch of two new digital channels in collaboration with ABC News, further expanding its lineup of premium news and storytelling content. The new channels – **20/20 True Crime** and **ABC News Live** – are available starting today to listeners nationwide.

20/20 True Crime is a nonstop destination for gripping, in-depth storytelling from 20/20 and ABC News. The channel features award-winning podcasts, full episodes of 20/20, installments of *20/20: The After Show*, and curated cases from the 20/20 true crime vault. From headline-making investigations to unforgettable mysteries, listeners can dive into the stories, twists, and reporting that bring the truth to light — true crime, all the time.

ABC News Live delivers around-the-clock coverage of breaking news across the United States and around the globe. As a 24/7 streaming news channel, it keeps listeners informed on the latest developments in politics, weather, health, business, and more, offering real-time updates and comprehensive reporting from ABC News’ trusted journalists.

In addition, two ABC News programs will now air on SiriusXM’s P.O.T.U.S. channel (ch. 124), bringing listeners expanded access to trusted political reporting and analysis:

This Week with George Stephanopoulos — ABC News’ pre-eminent Sunday morning discussion program, anchored by George Stephanopoulos, Martha Raddatz, and Jonathan Karl. The show features newsmaker interviews, in-the-field reporting, and panel discussions offering unique perspective on the major domestic and global stories driving the news each week.

Start Here Weekend — Hosted by Brad Mielke, this program dives deeper into the stories driving headlines through in-depth conversations with ABC News correspondents, experts, and newsmakers. With an engaging and accessible style, *Start Here Weekend* helps listeners expand their understanding of the week’s biggest stories.

“These new channels underscore our commitment to delivering the most compelling and trusted content to our listeners,” said [Insert Executive Name/Title, SiriusXM]. “Our collaboration with ABC News brings together best-in-class journalism and storytelling, giving our audience immediate access to both breaking news and deeply engaging true crime

programming.”
