Edison Nation Announces Global Distribution Agreement for Everyday Edisons TV Series

Expanded Distribution to Further Develop the Edison Nation Brand within Global Inventor Marketplace

PHILLIPSBURG, N.J., Dec. 06, 2018 (GLOBE NEWSWIRE) -- Edison Nation, Inc. a full-service product development company, today announced that it has entered into an agreement with a leading digital media services company to expand distribution of its [Everyday Edisons](#) TV series into key global markets.

Everyday Edisons is an inspirational reality TV series produced under license by Edison Nation, which chronicles the stories of first-time inventors as they launch their unique products into the marketplace in conjunction with the Edison Nation product development platform.

The agreement, which covers two existing 13-episode seasons, will include the creation of a professional voiceover-translation in German, French and Spanish and the subsequent release in Europe and the Middle East. The full seasons will also be available for viewing on select streaming platforms worldwide, such as Amazon Prime Video.

"I am pleased to announce that we entered into a distribution agreement to significantly expand the reach of our Everyday Edisons TV series," said Chris Ferguson, CEO of Edison Nation. "We view this as a unique way to build the Edison Nation brand while reaching a wide audience of aspiring inventors, bringing them into the Edison Nation community that has successfully guided so many of their peers through all aspects of the challenging product development cycle. I look forward to the launch of this incredible TV series becoming available via online streaming platforms, such as, Amazon in December."

About Edison Nation, Inc.

Edison Nation, Inc. is a vertically integrated innovation aggregation and full-service product development and manufacturing company, offering innovation sourcing, design, sales, fulfillment and shipping services. Edison Nation's model is to provide a risk mitigated platform that connects innovators with companies to bring new products to market. For more information, please visit www.edisonnation.com.

Forward Looking Statements

This press release contains forward-looking statements that involve substantial risks and uncertainties. All statements, other than statements of historical facts, included in this press release regarding strategy, future operations and plans, including assumptions underlying such statements, are forward-looking statements, and should not be relied upon as

representing the Company's views as of any subsequent date. Such forward-looking statements are based on information available to the Company as of the date of this release and involve a number of risks and uncertainties, some beyond the Company's control, that could cause actual results to differ materially from those anticipated by these forward-looking statements, including consumer, regulatory and other factors affecting demand for the Company's products, any difficulty in marketing the Company's products in global markets, competition in the market for consumer products, any inability to raise capital to fund operations and service the Company's debt. Additional information that could lead to material changes in the Company's performance is contained in its filings with the SEC. The Company is under no obligation to, and expressly disclaims any responsibility to, update or alter forward-looking statements contained in this release, whether as a result of new information, future events or otherwise.
