PLAYSTUDIOS Gives Mobile Gamers a ‘Blast’ of Classic Excitement With Debut of my KONAMI Slots Money Blast

Retro design inspired by real-life slots transports players to familiar settings as they spin their way to big rewards

LAS VEGAS--(BUSINESS WIRE)-- Award-winning mobile and social game developer **PLAYSTUDIOS** (Nasdaq: MYPS) is transporting players back in time with the release of its latest game, **Money Blast** for the *my KONAMI Slots* mobile app. With a retro, real-life look and classic gameplay, Money Blast joins a lineup of content that appeals to both slot purists and casual players alike.

“Our *my KONAMI Slots* players are very familiar with our games since many of them are based on popular machines from the casino floors. And one of the most requested slot titles is Money Blast,” says PLAYSTUDIOS Founder, Chairman, and Chief Executive Officer Andrew Pascal. “We pride ourselves on keeping an open channel of communication with our players and responding to their feedback. So naturally, we’re thrilled when we can deliver a game that’s in such high demand.”

Like its real-world counterpart, the free-to-play mobile version of Money Blast features traditional pay line graphics and game odds. However, players will notice one major enhancement — the myVIP rewards program that allows them to earn loyalty points, which can then be exchanged for real-world rewards from more than 275 celebrated entertainment, travel, leisure, and lifestyle brands.

my KONAMI Slots and the rest of the games in the PLAYSTUDIOS portfolio —*myVEGAS Slots*, *myVEGAS Bingo*, *myVEGAS Blackjack*, and *POP! Slots* — are available to download free on [iOS](#), [Android](#), [Kindle](#), and [Facebook](#).
