Quantum to Participate at the Northland Institutional Investor Conference on September 19

SAN JOSE, Calif., Sept. 9, 2023 /PRNewswire/ -- Quantum Corporation (NASDAQ: QMCO), today announced that Jamie Lerner, Chairman and CEO of Quantum, and Kenneth Gianella, Chief Financial Officer, will participate at the Northland Institutional Investor Conference, which will be held as a virtual event on September 19, 2023. Management will be available to host scheduled conference calls with participating investors throughout the day.

Portfolio managers and analysts who would like to request a meeting with management should contact their Northland Capital Markets representative.

About Quantum

Quantum technology, software, and services provide the solutions that today's organizations need to make video and other unstructured data smarter – so their data works for them and not the other way around. With over 40 years of innovation, Quantum's end-to-end platform is uniquely equipped to orchestrate, protect, and enrich data across its lifecycle, providing enhanced intelligence and actionable insights. Leading organizations in cloud services, entertainment, government, research, education, transportation, and enterprise IT trust Quantum to bring their data to life, because data makes life better, safer, and smarter. Quantum is listed on Nasdaq (QMCO). For more information visit www.quantum.com.
