Patriot Glass Solutions, a Division of C-Bond Systems, Receives Purchase Order from Texas Hospital for \$136K, Bringing Total Orders Since June to more than \$1.1M

HOUSTON, Sept. 08, 2021 (GLOBE NEWSWIRE) -- [C-Bond Systems](#) (the "Company" or "C-Bond") (OTC: CBNT), a nanotechnology solutions company, today announced its Patriot Glass Solutions division has received a purchase order from a Texas hospital for \$136,000, bringing its total orders since June 2021 to more than \$1.1 million.

The custom printed film is being installed on the interior of the hospital to provide privacy from an outdoor courtyard, on two exterior curtain walls, and a skywalk. The Patriot Glass Solutions installation is expected to start mid-September and is being structured as a two-year project.

Patriot Glass Solutions protects personal, commercial and government property from looting, rioting, break-ins, and gunfire. Its leading products are C-Bond BRS (ballistic-resistant film system) and C-Bond Secure, as well as other types of specialized window film including solar or "green" film, anti-eavesdropping film, graffiti control film, bird strike film, decorative film, and more.

"Patriot Glass Solutions has a broad and specialized product offering with an installation team capable of handling the largest and most complicated installations whether they be for schools, hospitals, government facilities, and more," said Michael Wanke, President of Patriot Glass Solutions. "Although all customer projects might not be completed this year due to project timelines or supply chain delays, we are very proud that in just over three months we have booked a solid pipeline."
