WestJet Selects Global Eagle Entertainment's Content Services for the Launch of Its New Wireless Inflight Entertainment System

LOS ANGELES, Dec. 15, 2014 (GLOBE NEWSWIRE) --[Global Eagle Entertainment](#) Inc. (Nasdaq:ENT), a worldwide leading provider of content, connectivity and digital media solutions to airlines, today announced that it has been selected by WestJet to manage its inflight content services. WestJet Airlines is a Canadian low-cost carrier that provides scheduled and charter air service to 91 destinations in Canada, the United States, Europe, Mexico, Central America and the Caribbean.

WestJet is currently overhauling its existing [inflight entertainment](#) (IFE) system and replacing it with a wireless [IFE solution](#). Global Eagle Entertainment (GEE) will provide a broad array of content that can be accessed by passengers using their personal electronic devices or tablets rented from the airline. Through this long-term agreement, GEE will provide a selection of current movies and television, including a wide catalog of engaging and entertaining programs, beginning in Q1 2015.

"We're delighted to enable the deployment of content for WestJet's [wireless IFE](#) program," commented Amir Samnani, SVP of Content Services at GEE. "This is a first for the airline as it has traditionally managed content services in-house. In this strategic relationship with WestJet, we are looking forward to supporting the airline with our extensive expertise in technical services and delivery of wireless content and solutions."
