Global Eagle Entertainment Announces STC Approval of Its Connectivity System on Airbus A320 Aircraft

LOS ANGELES, Oct. 28, 2015 (GLOBE NEWSWIRE) -- Global Eagle Entertainment Inc. (Nasdaq:ENT), a worldwide provider of aircraft connectivity systems, operations solutions and media to the travel industry, today announced that it has received Supplemental Type Certificate (STC) approval to install its Ku-band satellite connectivity system on Airbus A320 aircraft.

"This STC approval is another demonstration of GEE's technological leadership and expansion in the in-flight connectivity market," explained Aditya Chatterjee, Senior Vice President, Connectivity Systems and Chief Technology Officer at GEE. "We believe the ability to retrofit the A320, Airbus' most popular aircraft, is a key factor in driving future contracts and customer wins for GEE as more and more airlines throughout the world offer in-flight connectivity to their passengers."

About Global Eagle Entertainment (GEE)

Forward-Looking Statements

We make forward-looking statements in this press release. These forward-looking statements relate to expectations or forecasts for future events, including without limitation, our earnings, revenues, expenses or other future financial or business performance or strategies, or the impact of legal or regulatory matters on our business, results of operations or financial condition. These statements may be preceded by, followed by or include the words "may," "might," "will," "will likely result," "should," "estimate," "plan," "project," "forecast," "intend," "expect," "anticipate," "believe," "seek," "continue," "target" or similar expressions. These forward-looking statements are based on information available to us as of the date they were made, and should not be relied upon as representing our views as of

any subsequent date. These forward-looking statements are subject to a number of risks and uncertainties, including without limitation those risks and uncertainties described in our most recent annual report on Form 10-K, as amended, and subsequently filed reports on Form 10-Q, as amended. As a result, our actual results or performance may be materially different from those expressed or implied by these forward-looking statements. We do not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
