GEE Wins Best Wireless IFE System at Aircraft Interiors Show

GEE and Partner Airlines Also Recognized for Multiple Awards at the UK's HMG Aerospace Fourth Annual Aviation Awards

LOS ANGELES, Feb. 11, 2016 (GLOBE NEWSWIRE) -- [Global Eagle Entertainment Inc.](#), (Nasdaq:ENT) ("GEE") a worldwide provider of aircraft connectivity systems, operations solutions and media content to the travel industry, won the award for innovation in a wireless IFE system at the HMG Inflight Magazine Awards which took place during the Aircraft Interiors Middle East show in Dubai in February.

GEE's Airtime was recognized as the Best Wireless IFE system for a carrier. The system, a turn-key solution for airlines, offers a fully customizable wireless inflight entertainment experience delivered directly to passengers' preferred devices. Airtime is operating on nearly 700 aircraft worldwide, supercharging the inflight experience of 40+ million passengers annually.

In addition, Global Eagle was also accredited for multiple awards granted to airline partners. Partners include Etihad Airways for Best Airline IFEC provider for the Middle East, flydubai as Airline of the Year for service and innovation, and Qatar Airways - ORYX ONE for Middle East Content Innovation.

"Serving airlines in the Middle East by delivering the right content, innovation including inflight communications, and creativity continues to be a key priority for Global Eagle," said Wale Adepoju, Chief Commercial Officer. "Seeing our partners acknowledged for providing the best passenger experience endorses further success with this growing market."

About Global Eagle Entertainment (GEE)

Forward-Looking Statements

We make forward-looking statements in this press release. These forward-looking statements relate to expectations or forecasts for future events, including without limitation, our earnings, revenues, expenses or other future financial or business performance or strategies, or the impact of legal or regulatory matters on our business, results of operations or financial condition. These statements may be preceded by, followed by or include the words "may," "might," "will," "will likely result," "should," "estimate," "plan," "project," "forecast," "intend," "expect," "anticipate," "believe," "seek," "continue," "target" or similar expressions. These forward-looking statements are based on information available to us as of the date they were made, and should not be relied upon as representing our views as of any subsequent date. These forward-looking statements are subject to a number of risks and uncertainties, including without limitation those risks and uncertainties described in our most recent annual report on Form 10-K, as amended, and subsequently filed reports on Form 10-Q, as amended. As a result, our actual results or performance may be materially different from those expressed or implied by these forward-looking statements. We do not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
