Mercedes-Benz branch in Stuttgart, Germany for the eighth time in front of an audience of around 450 invited guests from the supplier industry.

“On behalf of the global Axalta team, we are very proud to be recognized by Daimler,” said Joseph Wood, Axalta Coating Systems Commercial Transportation Vice President. “This award is proof positive that our team’s outstanding efforts are working and that the Axalta commitment to service and innovation is strong.”

The coveted prizes in the categories of Quality, Partnership and Innovation were awarded at the

The Daimler Supplier Award honors suppliers for above-average performance and partnership collaboration at an annual event. Performance is measured in terms of quality, cost, reliable delivery and innovative strength. The partnership between Daimler and its suppliers is based on trust and open communication. It is a relationship that also includes the observance of sustainable business practices, which are intended to create incentives for suppliers to improve on a continuous basis in existing and new markets.
