Support from Axalta, General Motors, Chemico Mays, Marathon Petroleum Company, OHorizons Global and Toyota is allowing MiSci to extend free admission for the entire holiday weekend and provide hands-on, interactive science, technology, engineering and math (STEM) experiences

Axalta sponsors a "fun free day" at Michigan Science Center.

to individuals who may not have access otherwise.

"As a long-standing supporter of the Michigan Science Center, we are proud to support this fantastic effort," said David Fischer, Axalta Coating Systems Vice President for Strategy and Growth – Transportation. "The unique, hands-on learning that takes place at MiSci is inspiring students and making the next generation of engineers dream big."

To take advantage of MiSci's free general admission on July 2 and 3, patrons can pre-register for tickets at <https://mi-sci.secure.force.com/ticket/>. Additionally, tickets will be

available for purchase for MiSci's newest exhibit *Bug Quest* and the *Bugs! A Rainforest Adventure* film in the IMAX® Dome Theater.

The following educational activities will be available for visitors this weekend:

- **Kaboomistry:** Learn about the relationship between pressure, temperature, and fuel to explain why things go KA-BOOM! MiSci will mix physics and chemistry to get loud, flashy effects.
- **Put it to the Test: Under Pressure:** MiSci will put pressure to the test with experiments that you can try at home.
- **Adventures on the Science Seas:** This show is for MiSci's younger audiences and introduces the idea of simple machines.

About the Michigan Science Center

The Michigan Science Center is a hands-on museum that inspires curious minds of all ages to discover, explore and appreciate science, technology, engineering and math (STEM) in a creative, dynamic learning environment. The Science Center features five theaters, including Michigan's largest screen at the Chrysler IMAX® Dome Theatre; the Dassault Systèmes Planetarium; the Toyota Engineering 4D Theater; the DTE Energy Sparks Theater; the Chrysler Science Stage; a 9,800 square-foot Traveling Science Hall for special exhibits; hands-on exhibit galleries focusing on space, life and physical science; Kids Town just for pint-size scientists; along with, education and outreach programs. The Michigan Science Center is a 501(c)(3) nonprofit organization. For more information, please call 313.577.8400 or visit the website, www.Mi-Sci.org.
