Evolv Extends Partnership with New England Patriots, New England Revolution, and Gillette Stadium

Extension of original 2021 agreement includes expansion of Evolv Express subscription, and official partnership designations

WALTHAM, Mass.--(BUSINESS WIRE)-- Evolv Technologies Holdings, Inc. (NASDAQ: EVLV), a leading security technology company pioneering AI-based solutions designed to create safer experiences, today announced that it renewed its partnership with Gillette Stadium, home of the New England Patriots and New England Revolution. The renewal, which extends a partnership initiated in 2021, increases the number of entry points at which Evolv Express[®] security screening will be used. All members of the public entering the stadium for football games, soccer matches, concerts, and other events will pass through an Express system. Evolv Express is designed to detect concealed weapons and distinguish them from many common items while allowing people to move through checkpoints at their natural walking pace. The system is designed to screen visitors effectively while helping minimize congestion and disruptions to traffic flow at entry points. In addition to an expanded product subscription, the renewal also expands Evolv's marketing partnership with the teams and stadium. Evolv has been designated as the "Official Fan Screening Provider" of the New England Patriots, New England Revolution, and Gillette Stadium.

Since the partnership began in 2021, more than seven million guests have been screened upon entry to Gillette Stadium by the Evolv Express units.

"We're very pleased to expand and extend our relationship with Evolv," noted Bill Christiansen, Vice President of TeamOps LLC and the lead security executive for Gillette Stadium. "We look forward to working with Evolv to keep innovating for the benefit of all guests at Gillette Stadium."

"Every subscription renewal is gratifying to us here at Evolv, but Gillette Stadium is especially so," said John Baier, the company's Vice President of Sports & Entertainment. "The Boston area is our corporate home, and the Patriots, Revolution, and Gillette Stadium are among our earliest sports and entertainment customers. An extended and expanded relationship tells us that we're delivering on our commitments and earning our customers' trust every day."

The renewal with the Patriots, Revolution, and Gillette Stadium reinforces Evolv's strong presence in the Boston area. Express units are also in TD Garden, Boston College, the Boch Center, the Boston Symphony Orchestra, Boston Convention and Exhibition Center, numerous other high-profile locations, and many schools, healthcare facilities, and workplaces. Likewise, the extension underscores Evolv's strong position in professional sports. At present, 13 professional football teams and 12 professional soccer teams in the

United States use Evolv systems for guest entry screening. Worldwide, Evolv counts nearly 100 customers on its sports and entertainment roster amongst its 1,000+ customer base.

About Evolv

Evolv (NASDAQ: EVLV) is designed to transform human security by helping organizations detect potential threats, mitigate risk, and enhance safety using AI-powered security solutions with robust insights, creating efficient and positive security screening experiences for the world's most iconic venues and companies as well as schools, hospitals, and public spaces. Its mission is to transform security to create a safer world to live, work, learn, and play. Evolv has digitally transformed the gateways in many places where people gather by enabling seamless integration combined with powerful analytics and insights. Evolv's advanced systems have scanned more than a billion people since 2019. Evolv has been awarded the U.S. Department of Homeland Security (DHS) SAFETY Act Designation as a Qualified Anti-Terrorism Technology (QATT) as well as the Security Industry Association (SIA) New Products and Solutions (NPS) Award in the Law Enforcement/Public Safety/Guarding Systems category, as well as Sport Business Journal's (SBJ) awards for "Best In Fan Experience Technology" and "Best In Sports Technology". Forward-looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. We intend for such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. All statements other than statements of historical fact are statements that could be deemed forward-looking statements, including statements made in the quotes from directors and statements regarding the Company's execution of its strategy, financial and operational performance and growth and creating value for stakeholders. Forward-looking statements involve known and unknown risks, uncertainties and other important factors that may cause our actual results and actions to be materially different from any future results or actions expressed or implied by the forward-looking statements, including, but not limited to, the factors discussed under the caption "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2023 filed with the SEC on February 29, 2024, as any such factors may be updated from time to time in our other filings with the SEC, including the Quarterly Report on Form 10-Q for the quarter ended June 30, 2024, as well as risks related to our leadership transition. The forward-looking statements in this press release are based upon information available to us as of the date hereof, and while we believe such information forms a reasonable basis for such statements, it may be limited or incomplete, and our statements should not be read to indicate that we have conducted an exhaustive inquiry into, or review of, all potentially available relevant information. These statements are inherently uncertain, and investors are cautioned not to unduly rely upon these statements.

Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained in this press release, whether as a result of any new information, future events or otherwise.
