SEI Names David Hintz US Equity Portfolio Manager

OAKS, Pa., Oct. 5, 2017 /PRNewswire/ -- SEI (NASDAQ: SEIC) today announced the appointment of David Hintz, CFA, as U.S. Equity Portfolio Manager, supporting the company's continued commitment to deepen its investment resources and expertise. In this role, Hintz will be responsible for the management of all U.S. large-cap equity strategies and report to Jason Collins, Global Head of Equity Portfolio Management in the Investment Management Unit at SEI.

"David demonstrates an investment philosophy and approach that closely align with ours," said Kevin Barr, Executive Vice President and Head of the Investment Management Unit at SEI. "His investment experience strengthens our portfolio management team and reinforces our dedication to offering competitive products and services."

With nearly 30 years of experience in the financial services industry, Hintz has become a leading expert on money manager investment processes, styles, and substyles. His industry thought leadership and experience in manager selection were important to SEI. He was directly involved in the development of an innovative series of benchmark indexes and had notable success as a portfolio manager. Hintz's career included time in Russell Investments' consulting group, manager research group, and funds management group.

"We are excited that Dave is taking on this important and highly visible role," said Collins. "We believe his addition to the team will support our ability to help clients achieve their goals through our comprehensive solutions."

About SEI

SEI (NASDAQ:SEIC) is a leading global provider of investment processing, investment management, and investment operations solutions that help corporations, financial institutions, financial advisors, and ultra-high-net-worth families create and manage wealth. As of June 30, 2017, through its subsidiaries and partnerships in which the company has a significant interest, SEI manages, advises or administers \$809 billion in hedge, private equity, mutual fund and pooled or separately managed assets, including \$307 billion in assets under management and \$497 billion in client assets under administration.
