# Iterum Therapeutics Commences Rights Offering

DUBLIN, Ireland and CHICAGO, Aug. 11, 2020 (GLOBE NEWSWIRE) -- Iterum Therapeutics plc (Nasdaq: ITRM) (the "Company"), a clinical-stage pharmaceutical company focused on developing next generation oral and IV antibiotics to treat infections caused by multi-drug resistant pathogens in both community and hospital settings, today announced that it has commenced its previously disclosed rights offering.

Pursuant to the rights offering, the Company and Iterum Bermuda Therapeutics Limited, the Company's wholly-owned subsidiary ("Iterum Bermuda"), are distributing, at no charge to the holders of record of the Company's outstanding ordinary shares as of 5:00 p.m. Eastern Time on August 5, 2020, and to eligible warrant holders, one non-transferable subscription right for each ordinary share owned (or deemed owned in the case of eligible warrant holders), as more fully described in the prospectus relating to the rights offering. Each right will entitle the holder thereof to purchase, at the holder's election and subject to availability, at the subscription price of \$1,000.00 per unit, one unit consisting of (i) a 6.500% Exchangeable Senior Subordinated Note due 2025 (the "Exchangeable Notes"), to be issued by Iterum Bermuda in the original principal amount of \$1,000.00, fully and unconditionally guaranteed on an unsecured senior subordinated basis by the Company, Iterum Therapeutics International Limited, Iterum Therapeutics US Limited and Iterum Therapeutics US Holding Limited (collectively, the "Guarantors"), and (ii) 50 Limited Recourse Royalty-Linked Subordinated Notes (the "Royalty-Linked Notes"), to be issued by Iterum Bermuda, fully and unconditionally guaranteed on an unsecured senior subordinated basis by the Guarantors. No fractional rights or units will be distributed or issued. Holders of rights may only purchase whole units in the rights offering.

The subscription period for the rights offering begins on August 11, 2020, and ends at 5:00 p.m., New York City time, on August 31, 2020, unless extended by the Company. Following the end of the subscription period, the subscription rights will expire.

The Company will only accept subscription rights for up to 8,400 units for a total purchase price of up to \$8.4 million, which amount is approximately equal to the maximum aggregate principal amount of additional notes that may be issued under the indentures pursuant to which the Exchangeable Notes and Royalty-Linked Notes will be issued. Accordingly, sufficient units may not be available to honor all subscriptions in full or at all. If exercises of subscription rights exceed the number of units available in the rights offering, the Company will allocate the available units pro rata among the record holders of its ordinary shares and eligible warrant holders exercising the subscription rights in proportion to the number of ordinary shares each of those holders owned or were deemed to own on the record date, relative to the number of shares owned or deemed to be owned on the record date by all record holders exercising the subscription right. Computershare Trust Company, N.A. is acting as the subscription agent, and Georgeson LLC is acting as the information agent, for the rights offering.

The Company reserves the right to cancel or terminate the rights offering at any time.

The rights offering is being made only by means of a prospectus, copies of which will be delivered to eligible holders of record of the Company's outstanding ordinary shares as of the record date and to eligible warrant holders, and can be accessed through the SEC's website at [www.sec.gov](http://www.sec.gov).
