Codexis Announces Pricing of Public Offering of Common Stock

REDWOOD CITY, Calif., April 05, 2018 (GLOBE NEWSWIRE) -- Codexis, Inc. (Nasdaq:CDXS), a leading protein engineering company, today announced the pricing of an underwritten public offering of 3,750,000 shares of its common stock at a public offering price of \$9.25 per share. Net proceeds to Codexis from the offering are expected to be approximately \$32.3 million after underwriting discounts and commissions and estimated offering expenses. The offering is expected to close on or about April 10, 2018, subject to customary closing conditions. Codexis has granted the underwriters of the offering the right for a period of 30 days to purchase up to an additional 562,500 shares of common stock at the public offering price, less underwriting discounts and commissions.

Jefferies LLC and Cowen and Company, LLC are acting as joint book-running managers for the offering. H.C. Wainwright & Co., LLC is acting as lead manager and Stephens Inc. is acting as co-manager for the offering.

Codexis intends to use the net proceeds from the offering for general corporate purposes, which may include, among other things, supporting the development of its product candidates, funding research and development, increasing its working capital and capital expenditures.
