

LET INNOVATION MOVE YOU

### Company Overview

**Anuvu is the leading full service platform offering both content and connectivity for the worldwide airline industry. Through our combined content, distribution and technology platforms, Anuvu provides airlines and the millions of travelers they serve with the industry's most complete offering of in-flight entertainment programming, internet connectivity, and digital media services.**

GEE's Content Solutions powers the film and television content, games and applications on more than 200 airlines worldwide. Our Connected Systems utilize Ku-band satellite technology to provide airline passengers with Internet access, live television, shopping and travel-related information. And our Digital Media Solutions provide airlines with new ways to reach a passenger through their phones, laptops or tablets while also driving new revenue opportunities through sponsorships and advertising.
