NEW YORK – May 31, 2022 –SiriusXM announced today that yacht rock vanguards Kenny Loggins and Christopher Cross will celebrate the summer season with a special invitation-only concert cruise for SiriusXM listeners on Monday, June 13.

SiriusXM Presents Yacht Rock the Boat with Kenny Loggins and Christopher Cross will feature Loggins and Cross performing their smoothest hits for Yacht Rock Radio listeners

and fans as they set sail around New York City on the Horizon's Edge yacht. The performances will also be heard on SiriusXM's Yacht Rock Radio on Friday, June 17 at 8:00 pm ET.

"At the time we were creating this new kind of music that was happening organically – we had no idea it would turn into what is now known as Yacht Rock. I'm excited to bring it all full circle and perform some of those same songs on a yacht for the first time in my career," said Kenny Loggins.

SiriusXM's Yacht Rock Radio features smooth-sailing soft rock from the late 70s and early 80s from artists like Michael McDonald, Kenny Loggins, Steely Dan, Christopher Cross, Toto, America, Ambrosia and more. It's the kind of rock that doesn't rock the boat. Yacht Rock Radio will be available all summer long from Wednesday, June 1 through Monday, September 5 on SiriusXM radios (ch. 14) and on the SXM App. The channel is also available year-round on SiriusXM channel 311.

For information on how to attend SiriusXM Presents Yacht Rock the Boat with Kenny Loggins and Christopher Cross, please visit: www.siriusxm.com/YachtRockNewYork

SiriusXM's Yacht Rock Radio is available to subscribers nationwide on SiriusXM radios, the SXM App, and with Amazon Alexa, the Google Assistant or however they stream at home. Streaming access is included with all of SiriusXM's trials and most popular plans.

About SiriusXM

Sirius XM Holdings Inc. (NASDAQ: SIRI) is the leading audio entertainment company in North America, and the premier programmer and platform for subscription and digital advertising-supported audio products. SiriusXM's platforms collectively reach approximately 150 million listeners, the largest digital audio audience across paid and free tiers in North America, and deliver music, sports, talk, news, comedy, entertainment and podcasts. Pandora, a subsidiary of SiriusXM, is the largest ad-supported audio entertainment streaming service in the U.S. SiriusXM's subsidiaries Stitcher, Simplecast and AdsWizz make it a leader in podcast hosting, production, distribution, analytics and monetization. The Company's advertising sales arm, SXM Media, leverages its scale, cross-platform sales organization, and ad tech capabilities to deliver results for audio creators and advertisers. SiriusXM, through Sirius XM Canada Holdings, Inc., also offers satellite radio and audio entertainment in Canada. In addition to its audio entertainment businesses, SiriusXM offers connected vehicle services to automakers. For more about SiriusXM, please go to: www.siriusxm.com.
