## Allen Pate to Lead P3 Nevada Operations

HENDERSON, Nev.--(BUSINESS WIRE)-- [P3 Health Partners Inc.](#) (“P3”) (NASDAQ: PIII), a patient-centered and physician-led population health management company, today announced that P3 Health Partners-Nevada, LLC (“P3 Nevada”) has named Allen Pate as president.

Pate will lead the P3 Nevada Medical Group team to continue ensuring that its 20,000 Medicare Advantage patients within Clark and Nye Counties receive the best possible care through P3 Nevada’s expansive network of more than 400 primary care affiliate providers or from one of its 11 medical group clinics.

“P3 is committed to providing our Medicare Advantage patients with access to the right level of care at the right time, so they can get the care they deserve. Allen’s practical healthcare experience as both a physician practice manager, caring for patients at the clinical level, and his experience on the operational side, managing large multi-site facilities, make him an excellent fit to lead the P3 Nevada team,” said Lorie Glisson, chief operations officer, P3 Health Partners.

“Putting the patient first is at the core of everything P3 does. Their approach to medicine focuses on the patient-physician relationship, based on a value-based care model. It is exciting to lead a team of healthcare professionals who engage the physician and empower the patient, knowing it will provide the most direct path to improved patient outcomes, reduced costs, and an enhanced healthcare experience,” said Pate.

Pate began his career at Camp Pendleton, where he was the medical training department chief. He later went on to support the 1<sup>st</sup> Marine Division, US Navy Personnel, and then the Naval Medical Center. In 2014, Pate joined the private sector, as physician practice manager II within Pacific Medical Centers, later becoming director of operations and director of ancillary services. In 2018, he joined The Everett Clinic, where he held roles of increasing responsibility, including regional operations director; senior director of operations – primary care; and most recently, vice president of clinical operations.
