Dynatrace Announces Pricing of Public Offering by Selling Stockholders

WALTHAM, Mass.--(BUSINESS WIRE)-- Dynatrace (NYSE: DT), the leader in unified observability and security, today announced the pricing of an underwritten public offering of 10,000,000 shares of common stock by certain selling stockholders of Dynatrace. In addition, such selling stockholders have granted the underwriter a 30-day option to purchase up to an additional 1,500,000 shares at the public offering price, less underwriting discounts and commissions. The offering is expected to close on November 17, 2023, subject to customary closing conditions.

BofA Securities is acting as the sole underwriter for the offering.

BofA Securities may offer the shares of common stock from time to time in one or more transactions on the New York Stock Exchange, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices.

A registration statement on Form S-3 (including a prospectus and preliminary prospectus supplement describing the terms of the offering) relating to these securities has been filed with the Securities and Exchange Commission (the "SEC") and became effective upon such filing. The offering is being made only by means of a prospectus and prospectus supplement. Copies of the prospectus and final prospectus supplement relating to this offering may be obtained, when available, by visiting the SEC's website at www.sec.gov or contacting the offices of BofA Securities, NC1-022-02-25, 201 North Tryon Street, Charlotte, NC 28255-0001, Attn: Prospectus Department, Email: dq.prospectus_requests@bofa.com.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy these securities, nor shall there be any offer or sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or jurisdiction.

About Dynatrace

Dynatrace exists to make the world's software work perfectly. Our unified platform combines broad and deep observability and continuous runtime application security with the most advanced AIOps to provide answers and intelligent automation from data at an enormous scale. This enables innovators to modernize and automate cloud operations, deliver software faster and more securely, and ensure flawless digital experiences. That's why the world's largest organizations trust the Dynatrace® platform to accelerate digital transformation.

Forward Looking Statements

This press release includes certain "forward-looking statements" within the meaning of the

Private Securities Litigation Reform Act of 1995, including among other things, statements concerning the completion of the public offering. These forward-looking statements include, but are not limited to, plans, objectives, expectations and intentions and other statements contained in this press release that are not historical facts and statements identified by words such as “will,” “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates” or words of similar meaning. These forward-looking statements reflect our current views about our plans, intentions, expectations, strategies and prospects, which are based on the information currently available to us and on assumptions we have made. Although we believe that our plans, intentions, expectations, strategies and prospects as reflected in or suggested by those forward-looking statements are reasonable, we can give no assurance that the plans, intentions, expectations or strategies will be attained or achieved. Furthermore, actual results may differ materially from those described in the forward-looking statements and will be affected by a variety of risks and factors that are beyond our control, including, without limitation, market risks and uncertainties and the satisfaction of customary closing conditions for an offering of securities, and other risks set forth under the caption “Risk Factors” in Dynatrace’s Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q, the prospectus and final prospectus supplement related to the public offering and in subsequent filings made by Dynatrace with the SEC. We assume no obligation to update any forward-looking statements contained in this document as a result of new information, future events or otherwise.
