

# Rand Capital Announces Third Quarter 2017 Results

## Net Asset Value per share grew sequentially to \$5.01 at September 30

BUFFALO, NY -- (Marketwired) -- 11/06/17 -- [Rand Capital Corporation](#) (NASDAQ: RAND) ("Rand"), a venture capital company which invests in growth businesses with unique product, service or technology concepts, announced its results for the quarter and year-to-date periods ended September 30, 2017.

Allen F. ("Pete") Grum, President and Chief Executive Officer of Rand Capital, commented, "We closed on one investment during the third quarter. Centivo Corporation is a tech-enabled health solutions company and is a new addition to our portfolio. They are developing exciting new technology and administration services for self-insured companies."

He continued, "At the end of the quarter, we had \$5.7 million of cash in our small business investment company subsidiaries and we continue to evaluate investment opportunities."

### *Third Quarter 2017 Financial Highlights*

- Reported \$5.01 net asset value (NAV) per share at September 30, 2017, compared with \$5.00 at June 30, 2017. The growth was due in part to increasing investment income, as more income-producing debt investments were originated in recent quarters.
- Invested \$100,000 in a new portfolio company, Centivo, a tech-enabled health solutions company that is developing solutions to help self-insured employers and their employees save money and have a better experience.
- Investment income increased 26% over the prior-year third quarter.
- At September 30, 2017, portfolio fair value was \$30.7 million and consolidated cash was \$6.4 million.

Total investment income in the third quarter of 2017 grew to approximately \$397,000, up from \$316,000 in the third quarter of 2016. The \$81,000 increase was driven by the Company's success with focusing investments in income producing instruments. Total expenses in the 2017 and 2016 third quarters were approximately \$439,000 and \$487,000, respectively.

Mr. Grum added, "The increase in our investment income is moving us closer to operating cash breakeven."

Total investment income was approximately \$1.1 million and \$731,000 year-to-date in 2017 and 2016, respectively. Similar to the third quarter, the growth was driven by the Company's recent investment focus on income-generating instruments. Total expenses on a year-to-date basis were approximately \$1.6 million in 2017, down from \$2.9 million in 2016. The

2016 expenses included higher incentive compensation expenses related to the Company's Gemcor exit.

### ***Selected Portfolio Highlights***

- [\*\*PostProcess Technologies Inc.\*\*](#) is the pioneer of the automated post-printing industry. It is the first and only provider of a comprehensive post-printing solution for additive manufacturing, including intelligent software, user-friendly hardware, and proprietary chemistry. PostProcess increases the consistency, throughput, and productivity of the third step of 3D printing -- post-printing. PostProcess has been growing rapidly, from three employees in early 2016 to 26 currently. With plans to grow revenue to \$100 million in 2021, the company recently signed up its first channel partner and is seeking to expand its international presence in 2018 where 3D printing adoption is also quickly expanding. PostProcess recently launched a new product, the Hybrid DECI Duo, the world's only 2-in-1 automated post-processing solution that provides both surface finishing and support removal of 3D printed parts. At September 30, 2017 Rand's investment in PostProcess was valued at \$300,000.
- [\*\*GiveGab, Inc.\*\*](#) is a user-friendly social platform that cultivates long-term giving relationships by connecting donors and volunteers with nonprofits. The GiveGab team helps nonprofits thrive, providing an affordable, secure and customized way to engage with supporters, raise funds online, and manage data. The company is experiencing a break-out year in 2017, having over 8,000 nonprofits registered to raise money on its platform. Revenue is on pace to grow more than 600% in 2017, and transaction volume is expected to be up more than 900%. The significant growth is driven by multiple and larger Giving Days, including The Big Give in San Antonio, Give for Good Louisville and Cornell Giving Day, among many others. At September 30, 2017 Rand's investment in GiveGab was valued at \$424,000.
- [\*\*Knoa Software, Inc.\*\*](#) provides on-premise and cloud solutions that generate unique insights for the optimization of the end-user experience with solutions for vendors including SAP®. Earlier in 2017, Knoa launched a new version of its SAP® User Experience Management ("SAP UEM") application, providing support for the SAP S/4HANA® platform and the SAP SuccessFactors HCM Suite. SAP UEM delivers unprecedented visibility into user behavior to drive adoption and effective use of SAP® software, reducing costs and risks during or following migration projects. Further, it allows SAP® customers to leverage Knoa's user analytics for a broader range of operating environments, including end-user mobile devices, browser configurations and business applications. At September 30, 2017 Rand's investment in Knoa was valued at \$498,000.

As of September 30, 2017, Rand's portfolio consisted of 30 active companies. At that date, the portfolio was comprised of approximately 58% in equity investments and 42% in debt investments, compared with 64% in equity investments and 36% in debt investments at the same time last year. The change in investment mix reflects Rand's strategy to generate sufficient investment income to cover operating expenses.

### ***Capital Allocation Priority***

Rand's priority for allocating capital continues to be investment in its portfolio. Additionally, the Board of Directors has authorized a share repurchase program of up to an aggregate of

1,000,000 shares of common stock. Approximately 459,000 shares remain available for repurchase under the program, which the Board recently extended through October 26, 2018.
