Forward-Looking Statements

This press release includes "forward-looking statements" as that term is defined by the Securities and Exchange Commission ("SEC"). Forward-looking statements are any statements other than statements of historical fact, including statements regarding our expectations, beliefs, hopes, intentions or strategies regarding the future. In some cases, forward-looking statements can be identified by the use of words such as "will," "intends," or "expects," or other words of similar meaning. Forward-looking statements are subject to risks and uncertainties that could cause actual results of Travel + Leisure Co. and its subsidiaries ("Travel + Leisure Co." or "we") to differ materially from those discussed in, or implied by, the forward-looking statements. Factors that might cause such a difference include, but are not limited to, risks associated with: the future prospects and plans for Travel + Leisure Co., including our ability to compete in the highly competitive timeshare and leisure travel industries; the health of the travel industry and declines or disruptions caused by adverse economic conditions (including inflation, recent tariff and other trade restrictions, higher interest rates, recessionary pressures, and any potential adverse economic impacts resulting from the U.S. federal government shutdown), travel restrictions, terrorism or acts of gun violence, political strife, war (including hostilities in Ukraine and the Middle East), pandemics, and severe weather events and other natural disasters; adverse changes in consumer travel and vacation patterns, consumer preferences and demand for our products; increased or unanticipated operating costs and other inherent business risks; our ability to comply with financial and restrictive covenants under our indebtedness; our ability to access capital and insurance markets on reasonable terms, at a reasonable cost or at all; maintaining the integrity of internal or customer data and protecting our systems from cyber-attacks; and those other factors disclosed as risks under "Risk Factors" in documents we have filed with the SEC, including in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended December 31, 2024, filed with the SEC on February 19, 2025. We caution readers that any such statements are based on currently available operational, financial and competitive information, and they should not place undue reliance on these forward-looking statements, which reflect management's opinion only as of the date on which they were made. Except as required by law, we undertake no obligation to review or update these forward-looking statements to reflect events or circumstances as they occur.
