

Company Overview

Helios Technologies (formerly known as Sun Hydraulics) is an industrial technology leader that develops and manufactures solutions for both the hydraulics and electronics markets. The Company does business through its operating subsidiaries around the world, including Sun Hydraulics, LLC, Enovation Controls, LLC, and Faster S.p.A. Through its Hydraulics segment, the Company serves diverse markets including material handling, construction equipment, agriculture, specialized vehicles, energy and others through its Sun Hydraulics and Faster Group companies, providing high-performance screw-in hydraulic cartridge valves and manifolds as well as quick-release hydraulic coupling solutions. Through its Electronics segment, the Company provides electronic control solutions through Enovation Controls for recreational and off-highway vehicles, as well as industrial stationary and mobile power equipment.
