Abeona Therapeutics to Participate in the Jefferies Cell and Genetic Medicine Summit

NEW YORK and CLEVELAND, Sept. 22, 2022 (GLOBE NEWSWIRE) -- Abeona Therapeutics Inc. (Nasdaq: ABEO) today announced that Vish Seshadri, Chief Executive Officer of Abeona, will participate in a fireside chat at the Jefferies Cell and Genetic Medicine Summit on Friday, September 30, 2022 at 8:30 a.m. ET. The Company will also participate in one-on-one investor meetings at the conference.

A live webcast of the fireside chat will be available on the Investors section of the Abeona website under "Events" at <https://investors.abeonatherapeutics.com/events>. The webcast will be archived for 30 days. Those interested in attending the fireside chat or requesting a one-on-one meeting with Abeona are encouraged to contact their Jefferies representative.

About Abeona Therapeutics

Abeona Therapeutics Inc. is a clinical-stage biopharmaceutical company developing cell and gene therapies for serious diseases. Abeona's lead clinical program is EB-101, its investigational autologous, gene-corrected cell therapy for recessive dystrophic epidermolysis bullosa in Phase 3 development. The Company's development portfolio also features AAV-based gene therapies for ophthalmic diseases with high unmet medical need. Abeona's novel, next-generation AAV capsids are being evaluated to improve tropism profiles for a variety of devastating diseases. Abeona's fully integrated cell and gene therapy cGMP manufacturing facility produces EB-101 for the pivotal Phase 3 VIITAL™ study and is capable of clinical and potential commercial production of AAV-based gene therapies.
