The Joint Chiropractic Opens First Location in San Francisco

SCOTTSDALE, Ariz., Aug. 13, 2024 /PRNewswire/ -- The Joint Corp. (NASDAQ: JYNT), the nation's largest provider of chiropractic care through *The Joint Chiropractic*® network, has opened its first The Joint clinic in San Francisco, Calif. The new clinic is located at 1549-A Sloat Blvd. in Lakeshore Plaza. It's the second location for Franchisee Jacki Walker, who also opened a clinic in Daly City, Calif. in April.

"We are excited to open our first location in San Francisco," said Peter D. Holt, President and CEO of The Joint Corp.

"As part of our strategy to meet our patients' healthcare experiences where they are, we are excited to open our first location in San Francisco," said Peter D. Holt, President and CEO of The Joint Corp. "Franchise partners like Jacki are helping us grow coast to coast, bringing The Joint to diverse and busy communities where people can access the routine

care they need without an appointment or insurance."

Walker is no stranger to franchising. She is a franchisee with another health and wellness concept in Walnut Creek and Menlo Park. She was also raised in the San Francisco Bay area and says she brought The Joint to the community because it is underserved when it comes to chiropractic care.

"I have always had an affinity for chiropractic care, so when I discovered The Joint, I knew that our community had nothing like it," says Walker. "San Francisco and Daly City now have access to convenient and affordable chiropractic care at The Joint, where you can get in and out with ease."

The Joint Chiropractic is known for its convenient retail setting and concierge-style services. For patients, that means no-appointments, no-insurance hassles, affordable chiropractic care and accommodating hours of operations, including evenings and weekends.
