# SUNation Energy Announces Review of Strategic Alternatives to Maximize Shareholder Value

RONKONKOMA, N.Y., April 09, 2026 (GLOBE NEWSWIRE) -- SUNation Energy, Inc. (Nasdaq: SUNE) ("SUNation" or "the Company"), a leading provider of residential and commercial solar energy systems, battery storage solutions, and comprehensive energy services, today announced that its Board of Directors has authorized the review of a full range of strategic alternatives aimed at increasing shareholder value and best positioning the Company for long-term success.

The review will consider a broad spectrum of possible actions, including, but not limited to, a potential sale of the Company, strategic business combinations, acquisitions, divestitures of assets, further optimization of the corporate structure, or other strategic or financial transactions that could enhance shareholder value.

The strategic review process is at a preliminary stage. SUNation has not set a timetable for its completion, and there can be no assurance that the exploration will result in any specific transaction or outcome. The Company does not intend to provide additional updates regarding this process unless the Board approves a particular course of action or determines additional disclosure is appropriate.
