Nissan North America is also significantly increasing penetration of SiriusXM factory-installed technology across the entire Nissan model lineup.

"We are thrilled to extend our relationship with Nissan North America through 2018," said Steve Cook, Executive Vice President, Sales and Automotive, SiriusXM. "Now even more Nissan customers will have easy access to SiriusXM's unparalleled variety of commercial-free and curated music channels, live sports, comedy, exclusive talk and entertainment, live news, and more. SiriusXM is committed to providing Nissan owners with the best in-vehicle experience possible, providing Nissan customers, drivers and passengers with the best audio-entertainment available on the road."

Customers purchasing any new Nissan vehicle equipped with satellite radio receive a 3-month subscription to SiriusXM's All Access Package with access to SiriusXM's premium programming lineup, including every NFL game, Howard Stern, every NASCAR® race, Oprah Radio® and MLB Network Radio™, plus access to SiriusXM Internet Radio on smartphones and other connected devices as well as online at [siriusxm.com](http://siriusxm.com).

*This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to,*

*statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.*

*The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other forms of radio and audio services; our dependence upon automakers; general economic conditions; failure of our satellites, which, in most cases, are not insured; our ability to attract and retain subscribers at a profitable level; royalties we pay for music rights; the unfavorable outcome of pending or future litigation; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; and our substantial indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2012, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.*
