Steve Aoki Launches New Exclusive Show on SiriusXM

"Steve Aoki's Remix Rewind," the new interactive, listener-generated countdown show hosted by Aoki, airs on SiriusXM's BPM channel

NEW YORK, July 30, 2014 /PRNewswire/ -- SiriusXM announced today that world renowned DJ Steve Aoki will host a new weekly show on SiriusXM's BPM channel.

Steve Aoki's Remix Rewind, hosted by Aoki, will feature the superstar DJ playing a listener-generated countdown; the songs, introduced by Aoki, will be remixes of the world's most familiar hits that receive the most votes according to subscribers.

Subscribers will have the opportunity to vote weekly for their favorite remix by going to www.siriusxm.com/remixrewind.

Steve Aoki's Remix Rewind airs Sundays at 9:00 pm ET on BPM channel 51 via satellite and through the SiriusXM Internet Radio App on smartphones and other connected devices, as well as online at siriusxm.com.

"SiriusXM has always been a massive supporter of my music. We've been working together for years via my weekly mix show *Aoki's House*, but now we're expanding our collaboration with a new, interactive countdown show called *Aoki's Remix Rundown*. I love exposing people to new music as well as giving fans a voice so this interactive voting countdown seemed like the perfect fit," said Steve Aoki.

"Steve Aoki is one of the world's most recognized, successful and talented DJs. His new show will offer listeners exclusive access to the man behind some of today's biggest hits," said Scott Greenstein, President and Chief Content Officer, SiriusXM. "This addition to our massive lineup of exclusive programming in the electronic dance music world is another example of SiriusXM's commitment and leadership in one of music's most vibrant genres."

Steve Aoki previously had a show on SiriusXM's Electric Area, *Aoki's House*. *Aoki's House* is re-launching on Electric Area on Saturday, August 2, at 12:00 am ET on Electric Area channel 52.

Steve Aoki is a Grammy-nominated international producer/DJ, electronic dance music entrepreneur, and founder of the trendsetting record label, events/lifestyle company, and apparel line Dim Mak. Since launching in 1996, Dim Mak has broken bands such as Bloc Party, The Bloody Beetroots, Klaxons, and The Gossip through deftly marketed single and

full-length releases and now has nearly 500 releases to date. As a solo artist, Aoki has become a force of nature averaging over 250 tour dates per year. Currently, Aoki is gearing up for the release of his second artist album NEON FUTURE I, scheduled for release September 30, 2014.

BPM plays today's biggest dance hits and remixes. Listeners will hear Tiesto, Avicii, Swedish House Mafia, David Guetta, Armin Van Buuren, Afrojack, deadmau5, Kaskade

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio entertainment providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; failure of our satellites, which, in most cases, are not insured; the interruption or failure of our information and communications systems; the security of the personal information about our customers; royalties we pay for music rights, which increase over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; failure to comply with FCC requirements and other government regulations; and our indebtedness. Additional

factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2013, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
