One Direction – Niall Horan, Zayn Malik, Liam Payne, Harry Styles and Louis Tomlinson – were discovered by Simon Cowell on the U.K.'s *The X Factor* in 2010. The band quickly gained a following to become one of the competition's all-time most popular acts, finishing in the final three and garnering a gigantic and loyal fanbase along the way. In March 2012, One Direction's debut album, *Up All Night*, made U.S. history, as it was the first time a U.K. group's debut album entered the U.S. Billboard 200 chart at No. 1. The band has sold over 13 million records worldwide. One Direction recently topped the charts with their sophomore album, *Take Me Home*, which includes the No. 1 single, "Live While We're Young."

Take Me Home entered the chart at #1 in 32 countries.
