

# Princecraft Launches All-New Ventura 230 WRL Model

**PRINCEVILLE, Quebec – December 20 , 2024**– Following an overwhelming successful launch of the completely redesigned Ventura series in 2023, Princecraft® Boats, a division of Brunswick Corporation (NYSE: BC) and leading manufacturer of high-quality aluminum boats, today announced the newest model in the Ventura lineup – the 230 WRL. This new model is a result of direct consumer feedback offering enhanced designed functionality, including:

- The addition of a windshield into design – a highly requested feature among consumers and dealers – offering boaters added protection from the elements and comfort onboard.
- A new wakeboard tower – offered on the Ventura 230 RL and 230 WRL – to take water sports adventures to the next level.

## Ventura 230 WRL specs:

|                     |                                 |

"The Ventura series has a legacy of being one of the most adaptable deck boats on the market, and the addition of the 23 WRL model adds even more versatility for our consumers," said Rodier Grondin, President, Princecraft Boats. "We are thrilled to deliver this new model in response of direct feedback from the market and continue delivering on the success of the Ventura series offering high-quality performance and feature-rich designs for exceptional on-water experiences."

The all-new Ventura 230 WRL model will make its boat show debut at the Toronto International Boat Show January 19-28, 2024. To learn more about the series, visit <https://www.princecraft.com/serie/Ventura-Series>.
