Westell to Host Fiscal Third Quarter 2013 Earnings Call on February 5, 2013

AURORA, Ill.--(BUSINESS WIRE)-- Westell Technologies, Inc. (NASDAQ: WSTL), a leading provider of telecommunications equipment for wireline, wireless and home networks, announced today that Westell will host its fiscal third quarter 2013 earnings conference call on Tuesday, February 5, 2013 at 9:30 AM Eastern Time.

Westell will release its December 31, 2012 third quarter results on Monday, February 4, 2013 following the market close. Westell then will host its earnings conference call for analysts, shareholders, investors and the public on Tuesday, February 5 at 9:30 AM Eastern Time. Participants can register for the Westell conference by going to the URL: <http://www.conferenceplus.com/westell>. Participants can quickly register online in advance of the conference. After registering, participants receive dial-in numbers, a passcode, and a personal identification number (PIN) that is used to uniquely identify their presence and automatically join them into the audio conference. If a participant does not wish to register, he or she can participate in the call on February 5, by dialing 888-206-4065 no later than 9:15 AM, Eastern Time and using confirmation number 34069774. International participants may dial 630-827-5974.

Westell's press release regarding earnings and related information that may be discussed on the earnings conference call will be posted on the Investor News section of Westell's website, <http://www.westell.com>. An archive of the entire conference will be available on Westell's website via Digital Audio Replay by approximately noon Eastern Time following the conclusion of the conference. The replay of the conference can be accessed by dialing 1-888-843-7419 or 630-652-3042 and entering 6887 757 #
