**Compensation Committee Charter**

**Purpose**

The purpose of the Compensation Committee (the “Committee”) is to aid the Board of Directors (the “Board”) of Aspen Group, Inc. Among other things, the Committee reviews, recommends and approves salaries and other compensation of the Company’s executive officers, and administers the Company’s equity incentive plans (including reviewing, recommending and approving stock option and other equity incentive grants to executive officers).

Appointment to the Committee, including designation of the Chair of the Committee, shall be made on an annual basis by the full Board. The Board shall affirmatively determine the independence of any director who will serve on the Committee, and shall consider all factors specifically relevant to determining whether a director has a relationship to the Company which is material to that director's ability to be independent from management in connection with the duties of a Committee member, including, but not limited to:

1. the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the Company to such director; and
2. whether such director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company.

Meetings of the Committee shall be held at such times and places as the Committee shall determine, including by written consent. 2. Subject to existing agreements, determine salaries, bonuses, and other matters relating to compensation of the executive officers of the Company. In determining the amount, form, and terms of such compensation, the Committee shall consider the officer's performance in light of company goals and objectives relevant to executive compensation, competitive market data pertaining to executive compensation at comparable companies, and such other factors as it shall deem relevant, and shall be guided by, and seek to promote, the best interests of the Company and its shareholders.

6. Approve compensation of non-employee directors and report it to the full Board.
7. Administer the Company's equity incentive plans, including the review and grant of stock options and other equity incentive grants to executive officers and other employees and consultants.
8. At such time as the Company is required to include a report of the Compensation Committee and a Compensation Disclosure & Analysis (the "Report"), review and approve the Report to be included in the Company's annual proxy statement.
9. When appropriate, be authorized to designate one or more of its members to perform certain of its duties on its behalf, subject to such reporting to or ratification by the Committee as the Committee shall direct.
10. Annually review and reassess the adequacy of this Charter and recommend any changes to the full Board.
