Concentra Expands to Tucker, Georgia

ADDISON, Texas--(BUSINESS WIRE)-- Concentra® (NYSE: CON), the nation's leader in occupational medicine, today announced the opening of a new medical center in Tucker, Georgia. The medical center, Concentra Tucker, is conveniently located at 4434 Hugh Howell Road, Tucker, Georgia 30084.

"Georgia is a strong market for Concentra," said Janet Cobb, MD, senior vice president of Concentra medical operations. "Expanding to Tucker gives us another access point in DeKalb County and will enable us to reach more Georgia employers and provide quality occupational health services to their workers."

Concentra will provide work injury care, physical therapy, drug testing, DOT physical exams, pre-placement exams, and other employer-related health services from its new location in Tucker. Telemedicine for minor work injuries will also be available via Concentra Telemed®, Concentra's proprietary telemedicine platform.

Concentra has long been known as the premier provider of occupational health and urgent care services delivered through an extensive network of more than 625 locations nationwide. This expansion strengthens Concentra's growing presence in Georgia and enables the company to more effectively meet the demand for comprehensive occupational health services in the region. Concentra offers quality, efficient medical care to meet the needs of employers and their employees at convenient times and locations. To explore Concentra's ever-expanding national footprint and to see a complete list of locations, visit www.Concentra.com.

About Concentra

Concentra is the largest provider of occupational health services in the United States by number of locations, with the mission of improving the health of America's workforce, one patient at a time. Our 13,000 colleagues and affiliated physicians and clinicians support the delivery of an extensive suite of services, including occupational and consumer health services and other direct-to-employer care, to more than 50,000 patients each day on average from 628 occupational health centers and 409 onsite health clinics at employer worksites in 47 states as of September 30, 2025. www.Concentra.com
